Messages That Inspire Our Mission

Ayesha Firdose
Data Associate I || Amazon

AlmaBetter feels like my home...

... for always being there for me & I want to extend my heartfelt thanks to the placement team...

Aiman Sahay
Data Scientist II CA

...learning to code felt like a breeze.

The most crucial skill for any coder is logic building...

Rashid Ansari
Full Stack Developer
@Impelox Tech

I'm deeply grateful to AlmaBetter for being the...

foundation of my career change.

A special thanks to the founders of AlmaBetter...

Yahya Ansari
Data Driven Associate Analyst at Novartis

The placement team's tireless efforts played a significant role...

...in this accomplishment. A big thank you to the entire placement team.

Pratik Shinde
Sr. Associate @ Amazon

A heartfelt thank you to AlmaBetter...

... & my mentors for their constant guidance & support throughout my learning journey.

Ashish K Jha
Business Intelligence Analyst I
Python | SQL | Power Bi | ML

...exceptional platform and unwavering support

Your dedication has been instrumental in shaping my journey.

Navjot Khatri
Data Analyst

From Non-Tech to Tech: My Dream Came True!

I'm incredibly excited to share that I've successfully transitioned

Akshay B.
Generative AI & LLM Specialist
@Buzzboard IIIT Kharagpur

I cannot overstate the importance of AlmaBetter...

... for me, and I will always cherish the incredible interactions I had with them.

Deepanshu Pawar
Data analyst | HackerRank 5

A big thank you to the amazing Placement Team

...for their constant encouragement and guidance during the placement process.
